

Online Valuation Service (access notes and user guide)

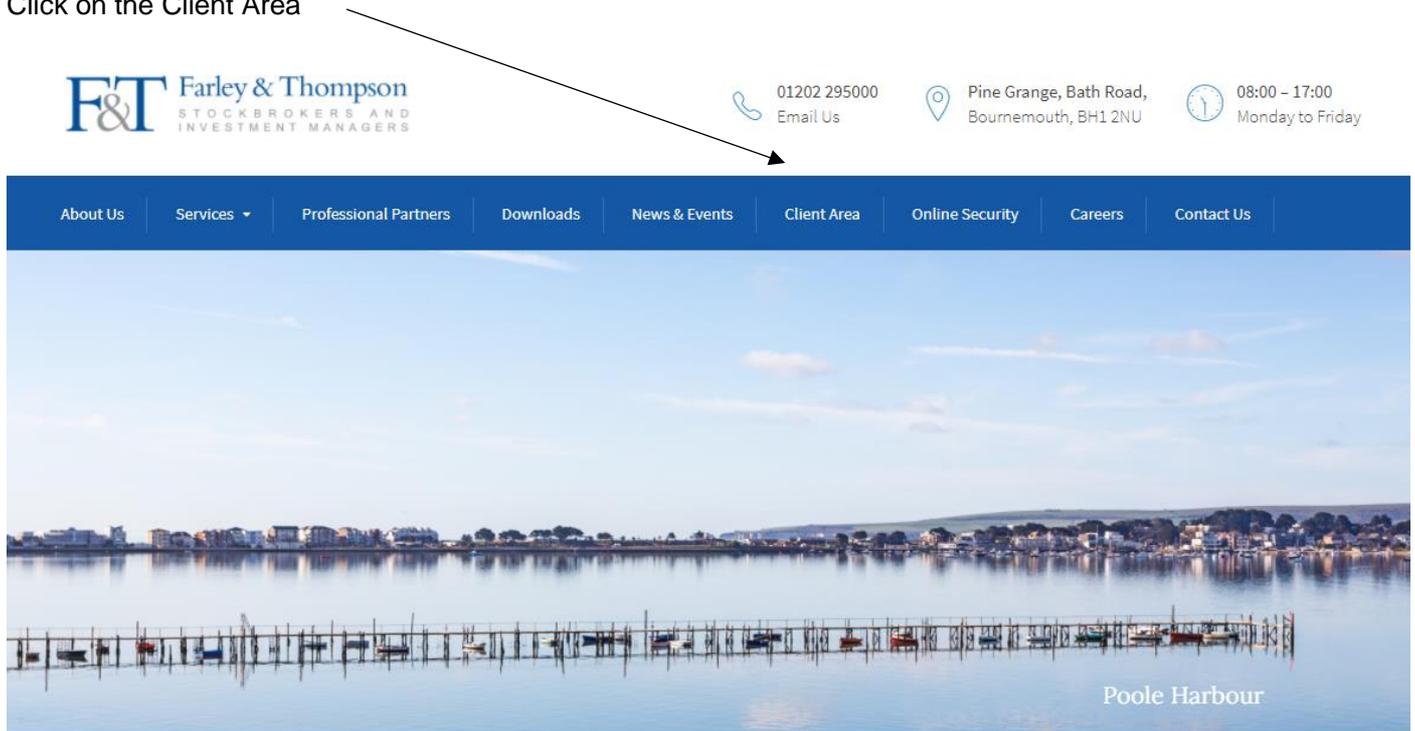

Accessing the Online Valuation Service

- Farley & Thompson takes the security of your investment information seriously.
- To gain access to the Farley & Thompson Online Valuation Service you will need to complete a client User Registration Form. This is available from the Downloads section of our website or upon request.
- On receipt of your form we will endeavour to set up your access within 48 hours and you will be notified by way of an automated email of your Username and Password.
- You will have 60 days after receipt of these emails to access your online account or the randomly generated password will expire.
- For security reasons when you log in for the first time you will be asked to reset your password to one of your own choosing comprising a minimum of 8 characters to include one number. It is your responsibility to keep these access details secure and not to divulge them to others. We strongly advise you to change your password regularly by using the facility provided and to ensure that the password you select is sufficiently robust.
- Online valuations are only accessible to clients who have securities registered in our Nominee or ISA service. We are sorry but we are unable to provide this facility for Own Name shareholdings.
- Our Site Terms & Conditions, Online Security and Cookie Policy can all be found via the Home Page of our website at farleyandthompson.co.uk. You will be required to confirm that you have read the Site Terms & Conditions as part of the registration process.
- Access to your information via the online valuation service uses an electronic security measure known as encryption. We use 128-bit, 2-way data encryption technologies to keep your information confidential. This process is built into most internet browsers using a mechanism known as Secure Sockets Layer (SSL).
- This is a 'view-only' service and no alterations can be made to the data displayed. Please be aware of the sensitive nature of the information presented. We would not recommend accessing your account over an open network.

On entering the site, you will be presented with the **Portfolio Summary** page that will list your account(s) with Farley & Thompson. If you have requested access to multiple accounts this page will list all account holders together with each service. Please note that you can only view accounts that have securities registered in our Nominee or ISA service. If you hover the mouse over the different areas of the screen you will see that you can interrogate the data or access a printout.

To access a simple valuation we would recommend downloading via the PDF symbol on this page.

View cash balances or navigate to the Cash Accounts menu

The screenshot shows the 'Portfolio Summary' page. On the left is a navigation menu with 'Cash Accounts' selected. The main content area shows a table with columns: Valuation, Service, Account Name, Cash, Market Value, Open, and Total. A row is visible for an ISA service with a client name. A PDF icon is present in the Valuation column of this row. An arrow points from the 'Print/Download PDF valuations' callout to the PDF icon. Another arrow points from the 'View cash balances or navigate to the Cash Accounts menu' callout to the 'Cash' column of the table. A third arrow points from the 'Viewing shareholdings' section below to the 'Market Value' column of the table.

Viewing shareholdings

By clicking on the market value for each service or on the combined total on the Portfolio Summary page you will be presented with the **Portfolio Detail** page. This will list your shareholdings showing the cost, price, value, gain/loss, forecast income and yield% for each line of stock. Information can be sorted by column contents or exported to a spreadsheet.
